### **Generational replacement on the Board of Directors of Minerva Česká republika**

Prague, July 2, 2012

Minerva Czech Republic announces personnel replacements on the Board of Directors. The General Meeting held on 27 June 2012 saw the election of new board member Michal Vokáč, who began his work at the company in 2001 as a consultant and has served as Service Desk head since the start of this year. Zdeněk Vokáč left the Board and will continue at Minerva CR as the director of Quality and Development. He will also utilise his vast experience as a newly-appointed member of the company's supervisory board.

Minerva CR will continue to focus on products and services for manufacturing and distribution companies, especially in the Czech and Slovak republics.

### **MINERVA is the exclusive provider of QAD Enterprise Applications in the Czech Republic and Slovakia and serves as a QAD distributor in Eastern Europe.**

Minerva Česká republika is a company with a strong customer focus and strategy oriented towards enterprise applications for manufacturing and distribution companies. It is committed to helping customers improve their overall company management with greater efficiency, control and productivity through the implementation of the correct IT system. Minerva ČR provides its customers with a full line of services, from software implementation through business process optimization consultancy, system integration, world-class e-business solutions and outsourcing. Apart from the Czech Republic and Slovakia, Minerva also operates in Ukraine, Lithuania, Hungary and Romania, serving more than 150 manufacturing and distribution companies. The QAD Enterprise Applications system has been rated by independent analysts on a long-term basis as an industry-focused ERP system with the shortest period of implementation and a low total cost of ownership (TCO). The solution's flexible and open architecture provides a solid foundation for further company growth. QAD Enterprise Applications software is available in 26 languages.
