Minerva Czech Republic again named Distributor of the Year

Prague, November 27, 2012

Minerva was named Distributor of the Year 2012 in the QAD distribution network in the EMEA region. Minerva Czech Republic, the recipient of this award several times in the past, confirmed its leading position as a supplier of the QAD ERP system in the Czech Republic and Slovakia.

A meeting of QAD Teamwork distributors for the EMEA region was held on 12 and 13 November 2012 in Ljubljana, Slovenia. QAD regularly announces awards in a number of categories at this meeting, and Minerva was named 2012 Distributor of the Year for the EMEA region primarily for quality implementation, consulting, services and sales in the Czech Republic and Slovakia. QAD co-founder and CEO Karl Lopker presented the award to Minerva Czech Republic Chairman of the Board Petr Koptík.

MINERVA is the exclusive provider of QAD Enterprise Applications in the Czech Republic and Slovakia and serves as a QAD distributor in Eastern Europe.

Minerva Česká republika is a company with a strong customer focus and strategy oriented towards enterprise applications for manufacturing and distribution companies. It is committed to helping customers improve their overall company management with greater efficiency, control and productivity through the implementation of the correct IT system. Minerva ČR provides its customers with a full line of services, from software implementation through business process optimization consultancy, system integration, world-class e-business solutions and outsourcing. Apart from the Czech Republic and Slovakia, Minerva also operates in Ukraine, Lithuania, Hungary and Romania, serving more than 150 manufacturing and distribution companies. The QAD Enterprise Applications system has been rated by independent analysts on a long-term basis as an industry-focused ERP system with the shortest period of implementation and a low total cost of ownership (TCO). The solution's flexible and open architecture provides a solid foundation for further company growth. QAD Enterprise Applications software is available in 26 languages.
